Sir:

STATUS REQUEST REGARDING ISSUANCE AND PUBLICATION

Applicants respectfully request a report on the status of the above-identified patent application, which has not yet issued as a patent after payment of the Issue and Publication fees more than five months ago. Examiner Barker issued a Notice of Allowability on August 16, 2006. Applicants reported a change to large-entity status and paid the large-entity issuance fees via the EFS-WEB system on October 5, 2006. A status check via PAIR on March 9, 2007 indicates "Awaiting TC Resp, Issue Fee Payment Verified." Accordingly, please inform the undersigned of the expected date of issuance and, if applicable, of any problems with the application that might further delay issuance and publication.

If the Examiner or Office has any questions, or if a telephone interview would in any way advance prosecution of the application, please contact the undersigned attorney of record.

**CERTIFICATE OF
ELECTRONIC SUBMISSION**

I hereby certify that this correspondence is being electronically deposited with the United States Postal Service by uploading it through the EFS-WEB system on March 9, 2007.
